

East Wissett
 Hook Heath Road
 Woking GU22 0QE
 01483 761153

From Woking town centre

The direct route is not recommended unless you know Woking well or have satnav. If you do come this way, Hook Heath Road is next to the Renault garage in Hook Heath Avenue. Note that Hook Heath Road is over a mile long and has no house numbers. We are quite near the Saunders Lane end (the furthest end from the middle of Woking). Look out for Lansbury on the left hand side – our drive is the next one, and is immediately after the last white post.

From M3 Junction 3

Take A322 towards Guildford. Drive through Bisley and past Sainsbury's then over traffic lights and under a railway bridge. Soon afterwards, turn left into Heath House Road opposite the cemetery wall (this turning is easy to miss). At the crossroads, go straight across into Saunders Lane. Hook Heath Road is the first turning on the left.

Having turned into Hook Heath Road, drive round the bend, passing Gorse Hill conference centre on your left. We are on the right hand side, about 100 yards further along the road.

From M25 Junction 11

Follow A320 through Woking town centre, under the railway and head out towards Guildford. At the second roundabout, turn right, signed B380.

Go over the railway bridge and fork immediately right into Saunders Lane. Hook Heath Road is on the right hand side after about half a mile. (If you get to the crossroads with Blackhorse Road you have gone too far.)

Having turned into Hook Heath Road, drive round the bend, passing Gorse Hill conference centre on your left. We are on the right hand side, about 100 yards further along the road.

From M25 Junction 10

Take A3 to Guildford and turn onto A320 towards Woking. Approaching Woking, turn left at a roundabout, signed B380.

Go over the railway bridge and fork immediately right into Saunders Lane. Hook Heath Road is on the right hand side after about half a mile. (If you get to the crossroads with Blackhorse Road you have gone too far.)

Having turned into Hook Heath Road, drive round the bend, passing Gorse Hill conference centre on your left. We are on the right hand side, about 100 yards further along the road.

From A3 South

Take A3 to Guildford and turn onto A322 towards Bagshot. Drive through Worplesdon village and across the next roundabout, then turn right onto the B380 (Berry Lane). Turn left into Blackhorse Road and, at the crossroads, turn right onto Saunders Lane. Hook Heath Road is the first turning on the left.

Having turned into Hook Heath Road, drive round the bend, passing Gorse Hill conference centre on your left. We are on the right hand side, about 100 yards further along the road.
